Dear Editor,

My hobby is collecting photographs from suspense films and horror pictures. I have been doing this for about two years now. But I just cannot find a picture of that great film director, Alfred Hitchcock. Can you help me?
LUCILLE GRAY, Stirling.
We won't keep you in 'suspense' any longer, Lucille. Here's the picture you wanted . . . Editor.

Dear Editor,

Some time ago you asked if anybody had a famous person living near them. Well I have. Elton John lives in a house just behind ours. My Mum is a fan of his, so she is quite satisfied.
SARAH CRACKNELL, Old Windsor.

Dear Ossie,

I am a great fan of Dr. Who. I have met the actor who plays the Doctor, Tom Baker (he was opening a fete) and I got his autograph. Please, please do you think you could print a picture of him?
CAROL WESTLEY, Ilford.
I'm a fan of Dr. Who as well, Carol, I never miss the programme . . . but I'm a bigger fan of the Doctor's time-travelling companion, Sara-Jane Smith . . . Cor! . . . Ossie.

Dear Editor,

Last year we had a Church Bazaar in our brand new Church Hall. We have just started a scout troop, and of the £155 that was made at the bazaar, £20 went into the troop fund. Could you please print this picture of me?
ROGER STANIFORTH, Bilton.

Dear Editor,

My favourite football team is Manchester City, and my best friend knows most of their players and their manager, too. I'm so envious of him.
MARK JUDKINS, Middleton.
Well here's something that might make him envious, a picture of City's star forward, Asa Hartford, just for YOU . . . Editor.

Dear Editor,

I am a Dutch girl of 10 years old, who now lives in England. We like this country very much, especially the tiny village we live in. I can speak both Englishand Dutch. Apart from enjoying the country life, I also like to get your comic, which helps me with my English reading. Here's a picture of me, taken when we visited Chester.
CORINNE VAN DE LOA, Mellor.
We all hope you'll continue to enjoy your life in Britain, Editor.

MONSTER FUN COMIC 7p

the freaky fun paper edited by the monsterous Frankie Stein

ON SALE SATURDAY JANUARY 31

Dear Editor,

One day, my brother Paul and I took our dog for a walk across the fields. It was very foggy, so my brother took a torch. When Kim was let off the lead, Paul switched on the torch, and started spinning round. As the ray of light went round and round, Kim kept jumping up, trying to bite it. She seemed very puzzled when she found she couldn't sink her teeth into it. When we got home, Kim wouldn't eat her tea, so Mum said: "She probably wasn't hungry after 'eating' the rays of light."

SUSAN LIDBURY, Highams Park

Kim sounds a bit like me, Susan — 'light' snacks put her off her main meals . . . Editor.

Dear Editor,

After I have finished reading my WHOOPEE! each week, I take the World-Wide Weirdies picture from the comic and cut it into 10 pieces, like a jig-saw puzzle. And when I had my birthday party, I mixed all the pieces together, then everyone set about trying to make-up the pictures again. All my friends thought it was great fun.

JEREMY FROST, Windmill Hill.

It never ceases to amaze me the wonderful ideas our readers come up with . . . anyone got any more? . . . Editor.

Dear Editor,

I would like to tell you about a sponsored swim I took part in. Joe Bugner started the swim, with a girl who had had a heart operation, and she swam 6 lengths. I swam 50 lengths, and raised £9.25 for the British Heart Foundation.

RICHARD KEYS, Huntingdon.

Very well done, Richard, and your swimming feat has earned a pound, from us, bringing your total to £10. 25p. . . . Editor.

Dear Creepy Car,

I would like to know if you have got an engine, and if so, what kind of petrol do you use? I ask because I read your page every week and I have never seen you go into a petrol station.

MATTHEW RICHARDS, Chingford.

With the price of petrol as high as it is, can you blame me? I run on white spirit, which gives 50 G.P.G. (That's Ghouls Per Gallon) . . . Creepy.

Dear Editor,

My name is Karen, and I have a twin sister called Susan. We are both identical, sharing the same likes and dislikes. We both go to drama school, and when we grow up we'd like to do a dancing act together. We are 11, and think your comic is the best thing invented, and without WHOOPEE! to read, the weekend would be very dull.

KAREN STEVENSON, Folkestone.

Good luck with your dancing, Karen! The craze at the moment is 'The Twist' . . . I tried it, and the only thing I twisted was my back . . . Editor.

PLEASE PALS . . . when you write in to take part in any of the participation features — fill in this coupon and attach it to your card or letter.
